“Good evening and welcome to Crystal Meth Anonymous literature meeting: “Speed Readers!”. My name is \_\_\_\_\_ and I’m a crystal meth addict. After a moment of silence for the addict that still suffers please join me in the Serenity Prayer.

*God, grant me the serenity to accept the things I cannot change, courage to change the things I can, and wisdom to know the difference.*

Are there any other addicts present?

Welcome. If you are seeking recovery, you are in the right place. This is a safe place and you are free to participate at whatever level you wish.

To reassure everyone, this meeting will not be recorded. At all times, please mute yourself, whether you are on video or joining us by phone, so that we may hear the readings and those who are speaking, rather than any background noise. So as to ensure that others are not triggered we ask that if you are sharing your video, you be fully dressed, that what you are displaying is not triggering to others, and that if you must smoke or vape during the meeting that you do it off camera.

(Light Candle) I am lighting this candle for those sick and suffering inside and outside the rooms, and also to remind us of why we are here.”

I have asked \_\_\_\_\_ or “a friend” to read There is Hope

Is there anyone here for the first time or visiting from out of town, who would like to say hello? This is not to embarrass you, but rather for us to get to know you.

Is there anyone counting days or celebrating an anniversary THIS WEEK.

I have asked \_\_\_\_\_ or “a friend” to read The 12 Steps of CMA & How They Work

The format for this meeting alternates weekly between four pieces of recovery literature and the chairperson will select a reading for that week. This week we are going to read from \_\_\_\_\_. After we read the chairperson will share and then the meeting will be opened for sharing. At 7:45 we will call for a burning desire and at 7:55 we will have a Secretary Break.

Group Conscience has determined that this is an “open meeting.” That means that everyone is welcome.

CMA encourages the complete abstinence from all mind-altering substances including alcohol and poppers, as well as avoiding the misuse of prescription medications.

Being a young fellowship, CMA uses the literature of AA and NA at their meetings and encourages members to do the same.

We will now begin reading \_\_\_\_\_ from page \_\_\_\_.

After Reading – Chairperson Shares

We will now start sharing. If you wish to share, please click on the reactions button on your screen and click on the raise hand button, the leader will call on you when it is your turn to share. For those dialing in please press \*9 to raise your hand and the leader will call on you when your turn arrives. In light of the increased number of people, participating in these meetings and the hope that all who want to share will be able to do so, we are instituting a three minute time limit, with a verbal announcement when one minute remains. \_\_\_\_\_ will be our timekeeper tonight.

7:45 Burning Desire – “At this time I would like to call for a burning desire. A burning desire is if you feel that you want to use, hurt yourself or others, this is the time to share.”

7:55 Secretary Break

I have asked \_\_\_\_\_ or “a friend” to read: “Today I Can”
